Introduction to The New CCDC 2 Amendments - Major Changes and Minor Tweaks

Section Program Notice

The fundamental contract form in widespread use in the Canadian Construction industry is the CCDC 2 Contract. Amendments to this form will be tabled at the end of January 2008 and we can expect the new form to be used in construction projects shortly thereafter. At this dinner meeting, the OBA Construction Section Past Chair, Greg Hersen, Chris Fillingham and Mark Mulholland will review the amendments. All three of our speakers are members of the CCDC. This will be your opportunity to discuss these important changes. Whether you act for owners, contractors, subcontractors or professionals, a thorough understanding of the CCDC form is essential to your practice so this is a program that should not be missed!!
